Available start date: _____

What are the strengths that specifically qualify you to work with a festival that seeks to educate people about sustainability and grass-based grazing, yet also has a consumer component with entertainment and chef demonstrations?

Are you interested in the on-farm component of this internship? Are you available to spend up to 10 weeks during summer 2010 working with farmers/ranchers on their operations? What do you feel qualifies you for this part of the internship?

What would you like to learn, or what skills would you like to improve through this internship?

Do you have access to a car and are you willing to drive to various locations for the duration of the internship (mileage is reimbursed)?

Yes No

Are you available, in addition to your resident farm(s), to be at the festival site in Minneapolis June 19th?

Yes No

Please include a resume and three references with your application.

Application Deadline April 20, 2010.

Please return this application via email to Jerry Ford:
