Please observe the Garlic Bloat Nematode Testing Procedure found on the Garlic Festival Website: <https://www.sfa-mn.org/garlicfest/vendor-application/>

A separate Sample Submission Form is required for each sample. Submit one sample of 4-6 plants per field. Clearly mark each sample group with the field from which it was taken.

If paying by check, make payable to “University of Minnesota” in the amount of \$50 per sample.

*This test is required for Minnesota Garlic Festival garlic vendors, and for the MN Premium Garlic Directory Growers who are not participating in MN Garlic Festival and the MN Premium Garlic Directory may also use this form to submit samples for testing.*
